The estimated annual operating cost is estimated at \$43,600. This cost includes the FTE staff years devoted to the administration of this committee at .03.

8. Designated Federal Officer

The Deputy Administrator for APHIS WS will serve as the Designated Federal Officer (DFO). The DFO will approve or call all of the advisory committee and subcommittees meetings, prepare and approve all meeting agendas, attend all committee and subcommittee meetings, adjourn any meeting when the DFO determines adjournment to be in the public interest, and chair meetings when directed to do so by the official to whom the advisory committee reports.

9. Estimated Number and Frequency of Meetings

The Committee will meet approximately once a year or at the call of the Secretary of Agriculture, or as deemed necessary.

10. Duration

Continuing.

11. Termination

Termination shall occur two years from the charter filing date if the charter is not renewed. The Committee shall not meet without a filed charter.

12. Membership and Designation

12a. This Committee will be fairly balanced in its membership in terms of the points of view represented and the functions to be performed. Steps will be taken to encourage fresh points of view, such as establishing staggered membership terms and limiting the number of renewed memberships.

12b. Membership will be composed of twenty (20) persons representing a broad spectrum of agricultural, environmental, conservation, academic, animal welfare, and related interests. Equal opportunity practices, in line with USDA policies, will be followed in appointing representative members to the Committee.

12c. Of these members, one will be appointed as the chairperson. The chairperson will be selected for his or her ability to lead a group in a fair and focused manner and who has

been briefed on the mission of this Committee. A co-chairperson may be assigned, especially to facilitate his or her transition to become the chairperson in the future. Members will be designated as Special Government Employees (SGEs) or Representatives.

12d. Ethics Statement

To maintain the highest levels of honesty, integrity and ethical conduct, no Committee or subcommittee member shall participate in any “specific party matters” (i.e., matters are narrowly focused and typically involve specific transactions between identified parties) such as a lease, license, permit, contract, claim, grant, agreement, or related litigation with the Department in which the member has a direct or indirect financial interest. This includes the requirement for Committee or Subcommittee members to immediately disclose to the DFO (for discussion with USDA’s Office of Ethics) any specific party matter in which the member’s immediate family, relatives, business partners or employer would be directly seeking to financially benefit from the Committee’s recommendations.

All members will receive ethics training to identify and avoid any actions that would cause the public to question the integrity of the Committee’s advice and recommendations. Members who are appointed as “Representatives” are not subject to Federal ethics laws because such appointment allows them to represent the point(s) of view of a particular group, business sector or segment of the public.

Members appointed as “Special Government Employees” (SGEs) are considered intermittent Federal employees and are subject to Federal ethics laws. SGE’s are appointed due to their personal knowledge, academic scholarship, background or expertise. No SGE may participate in any activity in which the member has a prohibited financial interest. Appointees who are SGEs are required to complete and submit a Confidential Financial Disclosure Report (OGE-450 form) and, upon request, USDA will assist SGEs in preparing these financial reports. To ensure the highest level of compliance with applicable ethical standards USDA will provide ethics training to SGEs on an annual basis. The provisions of these paragraphs are not meant to exhaustively cover all Federal ethics laws and do not affect any other statutory or regulatory obligations to which advisory committee members are subject.

12e. Equal Opportunity Statement

Equal opportunity practices, in line with USDA policies, will be followed in all membership appointments to the committee. To ensure that the recommendations of the committee have taken into account the needs of the diverse groups served by the Department, membership shall include, to the extent practicable, individuals with demonstrated ability to represent minorities, women, and persons with disabilities.

USDA prohibits discrimination on the bases of race, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, familial status, disability, limited English proficiency, or because all or a part of an individual's income is derived from a public assistance program. In programs that receive Federal financial assistance from USDA, discrimination is prohibited on the bases of race, color, religious creed, sex, political beliefs, age, disability, national origin, or limited English proficiency. (Not all bases apply to all programs.) Reprisal is prohibited based on prior civil rights activity.

13. **Subcommittees**

The Committee, in consultation with the DFO, may request APHIS to create subcommittees. Subcommittees will report back to the parent committee, and must not provide advice or work products directly to the Agency or the Secretary.

14. **Recordkeeping**

The records of this Committee, formally and informally established subcommittees, or other subgroups of the committee, shall be handled in accordance with General Records Schedule (GRS) 6.2 or other approved agency records disposition schedule. These records shall be available for public inspection and copying, subject to the Freedom of Information Act, 5 U.S.C. 552.
